

AN INTRODUCTION TO BRIDGE

Sunday, October 22, 2017

Playing a hand of bridge takes no more than a deck of cards, people, and 10 minutes. Bridge has hooked players for close to a century. It is a game both easy to learn and challenging to master.

This seminar is intended for new players, or for anyone who has been away from the game for years. In 5 hours, you will learn the basics of bidding, play, and scoring for this fascinating pastime.
